Retirement account information

After you've logged on, the first screen you will see is your Account Dashboard. This Dashboard provides information such as:

- Your account balance.
- Your investment allocations (or how your account is invested).
- The MassMutual RetireSMART Ready Tool where you can evaluate and personalize your retirement plan strategy based on your preferences.

Hypothetical example, for illustrative purposes only.

To change the percentage you contribute to the Plan:

- Go to the My Account drop-down menu and click Contributions under the Putting Money In section.
- 2. Choose the amount you would like to contribute by adding a new percentage to the **New** % box(es).
- After you have made your selection(s), click Next.

To change your investment options for your contributions:

- Go to the My Account drop-down menu and click Investment Selection under the Moving Money Around section.
- 2. You will be asked to choose the investment strategy that is right for you.
- 3. Choose the funds you want to invest in, and then click **Next**.

To designate or change your beneficiary:

- Go to the My Account drop-down menu and click Personal Info under the Everything Else section.
- 2. Select **Add Beneficiary.** Make your selections, then click **Continue** and then **Save.**
- 3. Select **Change Beneficiary** to change any existing beneficiary information. You may then be asked to contact your Plan Administrator or complete the Beneficiary Designation form.

Rules to keep in mind when determining your beneficiary – You can use the online beneficiary process if you are single, or if you are married and you want to declare your spouse as the sole primary beneficiary. But, if you are married and want to declare someone other than your spouse as your sole primary beneficiary, you must print the form available online and complete it according to the instructions.

To add or change your email address online:

- Go to the My Account drop-down menu and click Personal Info under the Everything Else section.
- Select "Add or Change Email" or "Change Address" (depending on your available options). Type in the email address from which you would like to receive electronic communications.
- 3. Confirm the email address.

Once you review and approve all changes made to your account, click **Submit**. You will receive a confirmation number when your transaction is complete.

How much should you save for retirement?

Explore the RetireSmart Ready Tool, located on your dashboard, to help determine your retirement goals and how to achieve them.

To access the RetireSmart Ready tool, be sure to enable pop-ups from the participant website. The RetireSmart Ready Tool is an online analysis tool that gives you a simple way to assess your current income gap given your current retirement strategy. The tool can also provide different levels of suggestions that may help close the income gap and drive towards a successful retirement.

It is estimated you will need between 75% and 90% of your final annual income to maintain your current standard of living in retirement.*

Everyone has a different mental picture of what their retirement looks like. Yours could be taking vacations, learning new skills, spending more time with your family or even starting a new career.

How much money you will need to retire depends on how you picture your retirement.
