ANNUAL NOTICES GUIDE

Dent Wizard International

CONTENTS

This brochure contains important legally required information about many of your benefit plans. Please read this information carefully and keep it where you can find it for future reference.

The information contained in this summary should in no way be construed as a promise or guarantee of employment or benefits. The company reserves the right to modify, amend, suspend, or terminate any plan at any time for any reason. If there is a conflict between the information in this brochure and the actual plan documents or policies, the documents or policies will always govern. Complete details about the benefits can be obtained by reviewing current plan descriptions, contracts, certificates, policies and plan documents available from Human Resources.

AVAILABILITY OF SUMMARY HEALTH INFORMATION

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a health coverage option. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format.

PRESCRIPTION DRUG COVERAGE AND MEDICARE

Important Notice from Dent Wizard About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Dent Wizard and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- Dent Wizard has determined that the prescription drug coverage offered by our Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Dent Wizard coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Dent Wizard coverage, be aware that you and your dependents will not be able to get this coverage back until the next enrollment period unless you experience a qualified life event. Note that your current coverage pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan and keep your coverage under the Dent Wizard Plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Dent Wizard and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

HIPAA PRIVACY NOTICE

When disclosing Personal Health Information (PHI), the Plan or Facility will only disclose the minimum amount of PHI that is required to accomplish the purpose for which the disclosure is made. For all disclosures that are made on a recurring and routine basis, the Plan or Facility will develop and implement policies and procedures that ensure that only the minimum amount of PHI necessary is disclosed.

For all other disclosures, the Plan or Facility will develop and follow criteria designed to limit the disclosure of PHI to the minimum amount required to accomplish the purpose of the disclosure. Employee Designated as qualified to Release PHI (EDR) making any disclosure of PHI must follow the applicable policies and procedures, and should consult with Privacy Officer if there is any question regarding the minimum necessary PHI.

NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

A federal law called HIPAA requires that we notify you about an important provision in the Plan—your right to enroll in the Plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program) - If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards your or your dependent's coverage. You will be required to submit a signed statement that this other coverage is the reason for waiving enrollment originally. To be eligible for this special enrollment opportunity you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other coverage.

Loss of Coverage for Medicaid or a State Children's Health Insurance Program - If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption - If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and/or your dependent(s). To be eligible for this special enrollment opportunity you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Medicaid Coverage: The Dent Wizard group health plan will allow an employee or dependent who is eligible, but not
enrolled for coverage, to enroll for coverage if either of the following events occur:

- TERMINATION OF MEDICAID OR CHIP COVERAGE- If the employee or dependent is covered under a Medicaid plan or under a State child health plan (SCHIP) and coverage of the team member or dependent under such a plan is terminated as a result of loss of eligibility.

NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

- ELIGIBILITY FOR PREMIUM ASSISTANCE UNDER MEDICAID OR CHIP- If the employee or dependent becomes eligible for premium assistance under Medicaid or CHIP, including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer's group health plan rather than direct enrollment in a state Medicaid program.

To be eligible for this special enrollment opportunity you must request coverage under the group health plan within 60 days after the date the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP or the date you or your dependent's Medicaid or state-sponsored CHIP coverage ends.

To request special enrollment or obtain more information, please contact Human Resources (Please refer to Contact List on page 16).

CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you **must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2018. Contact your State for more information on eligibility.

REPORT ELIGIBILITY CHANGES IN A TIMELY MANNER

It is your responsibility to notify Human Resources when a dependent becomes eligible or ceases to be eligible for coverage under our benefit plans. All eligibility changes should be reported within 30 days of the event. Failure to report changes in a timely manner can impact your ability to add newly eligible dependents or discontinue pre-tax premium contributions on ineligible dependents.

In addition, failure to report a loss of eligibility due to legal separation or divorce or a dependent that has otherwise ceased to be eligible, such as a child reaching the maximum dependent child age limit, can impact your dependent's rights for group health plan coverage under the federal law known as COBRA. If you fail to report the loss of eligibility within 60 days of the event, your dependents may be left with no continuation coverage under our plan. Please see your COBRA notice or your group health plan summary plan description for additional information.

WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)

On October 21, 1998, Congress passed a bill called the Women's Health and Cancer Rights Act. This new law requires group health plans that provide coverage for mastectomy to provide coverage for certain reconstructive services.

These services include:

- Reconstruction of the breast upon which the mastectomy has been performed
- Surgery/reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications during all stages of mastectomy, including lymphedemas.

In addition, the plan may not:

- Interfere with a woman's rights under the plan to avoid these requirements, or
- Offer inducements to the health provider, or assess penalties against the health provider, in an attempt to
- interfere with the requirements of the law.

However, the plan may apply deductibles and copays consistent with other coverage provided by the plan.

If you have any questions about the current plan coverage, please contact Human Resources (Please refer to Contact List on page 16).

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and insurers may not, under Federal law, require that a provider obtain authorization from the plan or the insurer for prescribing a length of stay not more than 48 hours (or 96 hours).

CONTINUATION COVERAGE RIGHTS UNDER COBRA

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

Your hours of employment are reduced, or
Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

Your spouse dies;
Your spouse's hours of employment are reduced;
Your spouse's employment ends for any reason other than his or her gross misconduct;
Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

The parent-employee dies;
The parent-employee's hours of employment are reduced;
The parent-employee's employment ends for any reason other than his or her gross misconduct;
The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
The parents become divorced or legally separated; or
The child stops being eligible for coverage under the Plan as a "dependent child."

CONTINUATION COVERAGE RIGHTS UNDER COBRA

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

The end of employment or reduction of hours of employment;
Death of the employee; or
The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to the Benefits Administrator or Human Resources.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Continued on the next page

CONTINUATION COVERAGE RIGHTS UNDER COBRA

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit **www.dol.gov/ebsa**. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.Healthcare.gov.

Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Please contact your local Benefits Administrator (Please refer to Contact List on page 16).

QUALIFIED MEDICAL CHILD SUPPPORT ORDER (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance. You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address; the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

SUMMARY ANNUAL REPORT (SAR)

For Health and Welfare Plan

This is a summary of the annual report of the Health and Welfare Plan, EIN 58-2416024, Plan No. 501, for period January 01, 2017 through December 31, 2017. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Dent Wizard International Corporation has committed itself to pay certain self-funded Medical and Dental claims incurred under the terms of the plan.

Insurance Information

The plan has contracts with Vision Service Plan, Aetna Life Insurance Company and Magellan Behavioral Health to pay Vision, Life Insurance, Long-term Disability, Accidental Death and Dismemberment and Employee Assistance Program claims incurred under the terms of the plan. The total premiums paid for the plan year ending December 31, 2017 were $1,084,075.

Because they are so called "experience-rated" contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2015, the premiums paid under such "experience-rated" contracts were $210,964 and the total of all benefit claims paid under these contracts during the plan year was $171,687.

Your Rights To Additional Information

You have the right to receive a copy of the full annual report, or any part thereof, on request. The items listed below are included in that report:

Insurance information, including sales commissions paid by insurance carriers;
