

## **COVID Safety Policy**

Dent Wizard is committed to the safety of its employees. For this reason, Dent Wizard will be following COVID-19 guidelines that are in accordance with recommendations from the CDC. Any employee working on or within Dent Wizard property will be expected to follow set guidelines. Said guidelines are as follows:

- Employees will be expected to perform daily self-assessments of their health when coming into work. Anyone who finds they are exhibiting any COVID symptoms must choose to stay home. Employees who begin exhibiting symptoms once already on Dent Wizard property will be required to leave.
- Employees must also immediately notify their manager of any COVID related health issues.
- While at work, employees will be expected to follow social distancing guidelines whenever possible. This means staying at least 6-ft apart from anyone else in the area. In times where social distancing is not possible, face coverings are to be worn as recommended by the CDC.
